Dear Parent

You will be pleased to know that we are starting multiples morning Clubs within the school hours. These clubs aim to provide our students with the opportunity to learn new skills, explore interests, and foster teamwork and creativity.

Every student will get an opportunity to participate and benefit from these clubs equally. We believe that participating in school clubs not only enhances academic learning but also promotes social and emotional growth in our students. We encourage all parents to support their children's participation and involvement in these clubs.

Since the students will get the opportunity to learn the skills of the various sports from a well-qualified and experienced coaches, the students should have the proper sports kit according choice of sport. Please note we will inform you of the kit required to be purchased for your ward.
