Subject: Streamlined Dispersal Arrangement for Enhanced Comfort and Safety (PLAYWAY- CLASS 2)

Dear Parent,

Greetings!

At our school, the safety, comfort and well-being of our young learners remain our highest priority. We truly appreciate the valuable feedback shared by parents regarding the dispersal process. Your support helps us continuously improve and ensure a smooth, safe and pleasant experience for both children and parents.

In our continued effort to enhance the dispersal system for the Junior Wing, we are pleased to introduce a more structured and convenient arrangement.

With effect from 15th April, 2026, the dispersal will be conducted as follows:

Dispersal Details:

Door 1 (Respective Classrooms):

- Play Way - 12:45 p.m.
- Nursery to UKG -1:25 p.m.

Door 2 (Respective Classrooms):

- Classes I & II - 1:25 p.m.

Parents are requested to receive their ward as per the above schedule from the designated areas to ensure a safe, smooth and well-organized dispersal.

Also, it is a humble request to all parents to allow teachers to focus on the smooth dispersal of students during this time. Any queries may please be addressed separately at a convenient time.

We sincerely value your cooperation and continued support in helping us maintain a calm and secure environment for our children.

Thank you for your unwavering faith in the school.

Regards
