Class I – Talent Hunt Show (World Earth Day)

Dear Parent
Greetings!

To celebrate **World Earth Day**, we are excited to organize a '**Talent Hunt Show**' for our Class I students on April 22, 2026, in the school premises. This joyful initiative provides a platform for our young learners to showcase their talents, ensuring **100% participation** from all students.
It aims to nurture creativity, boost confidence, and inspire our children to care for and protect our planet.

The categories are as follows:

1. **Singing**
   - Sing a song based on nature or saving the Earth.
   - The child may use simple props like an Earth mask or a leaf crown.
2. **Dance**
   - Present a short dance performance highlighting themes like *Save Trees, Clean Earth*, etc.
3. **Skit / Role Play**
   - Become Mother Earth, a tree, an animal, or an eco-warrior and share a meaningful message.
4. **Poetry Recitation / Speech**
   - Recite a short poem or speak a few lines about protecting our environment.
5. **Best Out of Waste (Ramp Walk)**
   - Any costume using recycled materials and walk the ramp with confidence.
6. **Fancy Dress with Message**
   - Dress up as elements of nature (Sun, Tree, Earth, Water, Animal) and present 2–3 lines in character.
7. **Slogan Presentation**
   - Present 2–3 catchy and powerful slogans on saving the environment.

Guidelines:

- Each child will participate in **one category only**.
- Time limit: **1–2 minutes** per participant.
- Parents are requested to guide and help children prepare at home.
- Props and costumes should be **simple, safe and eco-friendly**.

Let's come together to make this **Earth Day celebration fun, meaningful and full of creativity!**

Regards

Poonamjit Kaur
