Subject: Streamlined Dispersal Arrangement for Enhanced Comfort and Safety

Dear Parents,

Warm greetings to you.

At our school, the safety, well-being, and comfort of our students and parents remain central to every initiative we undertake. We sincerely value the thoughtful inputs and sentiments shared by many of you regarding the dispersal experience at the school premises. Your observations continue to guide us in strengthening our systems to ensure a calm, well-coordinated, and reassuring environment for all.

With a view to further streamlining the dispersal process and providing a more spacious and orderly setting, we are pleased to introduce a refined dispersal arrangement designed to facilitate smoother movement and enhanced supervision.

With effect from 15th April, 2026, the dispersal will be conducted from the Football Field located opposite Gate No.1.

To ensure a smooth transition:

- **Students will assemble class-wise at 2:30 p.m.**
- **Parents are kindly requested to receive their ward from the designated class-wise lines at the Football Field opposite Gate No.1, thereby supporting a smooth and orderly dispersal for all.**

We deeply appreciate your continued trust, patience, and partnership as we work together to create an atmosphere that remains safe, composed, and supportive for every child. Your cooperation in adhering to the revised arrangement will greatly contribute to maintaining a dignified and seamless dispersal each day.

Thank you for your unwavering faith in the school.

Warm regards,

Poonamjit Kaur
