Dear Parents

With new beginnings come new responsibilities, so there are a few important points to consider as students make the transition from **UKG to Grade I.**

Please note:

1. The duration for which the child will stay in the school will increase; timings will be from 8:00 am –1:20 pm.
2. 1st, 3rd & 4th Saturdays will be working for the students from 8:00am to 1:20pm.
3. In order to make this transition smooth for the students kindly bring a change in their sleeping schedule from today onwards so that they can effectively adjust to the new routine.

We understand that you will be concerned about the transition the children will be going through, but we assure you that the school will be taking utmost care of the little ones to adjust to the new environment smoothly.

Regards

Poonamjit Kaur
